Mr
is hereby notified.

Boat and dates:

1. **Party boats are totally forbidden in the Balearic Islands.**

According to article 5 of the International Regulations for the Prevention of Accidents at Sea (RIPA) warns that a vessel must maintain adequate visual and acoustic surveillance.

They are warned that with high decibels for a nautical party, security is not guaranteed, and they cannot maintain the surveillance and therefore the contract will be restricted, and they will have to vacate the boats as they are considered a serious fault.

2. **That training with the boats is absolutely forbidden in any port other than La Lonja Marina Charter**

3. **The customer will be penalized if they throw a line ashore when anchored.**

4. **You are informed of the rules of the Cabrera Park:**

The duration of the booking will be from 6 p.m. on the day of arrival until 5 p.m. on the first day of the booking, cancellation of the indicated activity must be made online.

In the case of cancellation of the anchoring reservation, when it is made before 17:00 hours of the date of the beginning of the reservation period, it will imply the refund of 50% of the amount of the fee paid.

The applicant must moor to the authorised buoy. Please remember that it is not allowed to fish in the Park -except for duly authorised professional fishermen-, nor to leave fish, sail, anchor or use in any way the integral reserve areas, both on land and at sea. No disembarkation of animals.

sport fishing can be carried out with authorisation in the zones regulated in the Park's zoning and must be communicated verbally to the park ranger for safety purposes during the dive.

sailing permits are valid annually.

anchoring is not permitted in any area of the Cabrera National Park. Boats with a maximum length of 15 metres and with a sailing licence may moor in the daily anchorages between one hour after sunrise and one hour before sunset, located in the Es Burrí area (30 moorings), sa Coveta Roja (8 moorings) and the Port area (12 moorings located near the main pier). Only boats up to 15 metres in length may moor in these moorings. Any damage that may be caused to the moorings as a whole by boats that do not comply with these parameters may be claimed from the owner of the boat or from the corresponding charter company. Boats that are not authorised to sail beyond the distance from

the coast allowed by the Maritime Captaincy (2 miles), such as jet skis or other devices, will not be allowed to sail into the waters of the National Park. It is forbidden to light fires on the shore or to have barbecues in the open. Disembarkation is only allowed in the two National Park mills for the time strictly necessary for the visit and exclusively by means of auxiliary boats or "dinghies". IMPORTANT: REMEMBER THAT THE MAXIMUM LENGTH PERMITTED IN THE ENTIRE PARC IS 35 METRES IN THE GREEN BAYS

Mooring is not permitted, except in cases of force majeure, emergencies or authorised boats.it is forbidden to fly drones.

it should be remembered that anchoring reservations in paying bays only guarantee availability at night (between 18:00 h., and one hour after dawn in the morning). The abandonment of the boia during the period of daily use (between 1 hour after dawn and 17:00 h. of the same day), does not guarantee its availability.

that you are fully aware of the rules of public use before your visit, and in any case do not hesitate to consult the public service staff, who will be happy to assist you at the information telephone number: 971 656 282.

I declare that I have read and accept the above information.
